Sharra Frank, 1500 Jackson Street NE #469, Minneapolis, MN 55413

After registration and payment is received you will be contacted with a confirmation of your registration in addition to other workshop details. Please contact Sharra with any questions. Thank you!

MOSAIC WORKSHOP DESCRIPTIONS

Glass-on-Glass Workshop (Basic)

Mosaic artist, Sharra Frank, will teach her beautiful glass on glass technique. Students will create a unique 8.5 x 10.5 inch window hanging using stained glass, tiles, china, glass gems, mirror and other materials. An alternative to the stained glass window you've never made! This workshop covers all basic mosaic skills and techniques, plus many tips! The tools, materials and techniques covered in this workshop can be applied to many other types of mosaic projects.

This workshop will meet once a week for two weeks.
Materials and tools are provided.

Glass-on-Glass Workshops are offered once a month except when when MD&C is offered.

Mosaic Design and Creativity (Next Step)

This is an intensive workshop offered to students who have taken a previous workshop with Sharra or have other mosaic experience. Sharra will coach you through the design process and challenge your creativity. Discover the benefits and practice of preliminary sketching, brainstorming, implementing a design, selecting colors and materials and how to push existing ideas further. Learn about more specific mosaic design terms such as opus and andamento. You will leave this class feeling confident and energized, and with a beautiful mosaic!

Past projects have been tables, back splashes, benches, wall hangings, mirrors, lamps and windows. The possibilities are endless. Sharra will guide you through each technical decision for your mosaic as well- such as surface prep and adhesive choice.

This workshop will meet for three hours, twice a week for three weeks.
Students are to bring a mosaic base of their choice.
Materials and tools will be provided.

MD&C Workshops are offered in September, January and April

Cancellation & Registration Policy

- More than two weeks before class - Credit less a \$25 handling fee. This Credit may be applied to a future class fee, upon receipt of the balance due for that class date.
- Two weeks or less before class - Credit for 50% of class fee. This credit may be applied to a future class fee, upon receipt of the balance due for that class date.
- All workshops are paid in full at time of registration.
